

**STATE OF MICHIGAN
MICHIGAN OFFICE OF ADMINISTRATIVE HEARINGS AND RULES**

STATUS REPORT

Docket # 26-002076

Date: July 7, 2026

Contested Case Caption: Petition of Noah D. Hall, John and Joan Darish, Gail and Michael Nicklowitz, Grace and Eugene Kim, Amy and Richard Bunch, the Spiritus Sanctus Academy, the Siena House, and the Dominican Sisters of Mary Motherhouse on the permit issued to AMC-WSG, LLC

Permit No.: GW1540096

Petitioner(s) states:

☐ I/We would like a hearing to be scheduled in this matter at the earliest possible date.

OR

☒ I/We would like this matter to be held in abeyance to allow additional time for informal discussions. I/We need an additional 60 days.

State current status of discussions:

EGLE has now shared the relevant groundwater model for the site with petitioners' experts for analysis and discussion. Another state department (MDHHS) has now shared well water test results around the site including several petitioners' wells with significant turbidity, iron, and manganese pollution. Petitioners request another 60-day abeyance to discuss the groundwater model and MDHHS test results with EGLE staff. EGLE is open to further discussions and supports this request for an additional 60-day abeyance.

OR

☐ I/We request this matter be dismissed:

- ☐ I/We are withdrawing our Petition for Contested Case Hearing; or
- ☐ A permit was issued on _____ (Date), which resolves this matter.
- ☐ Other reason: _____
